Soccer Match

Overview:

This weekend, some friends are getting together to play a soccer match. They will kick the ball, try to score goals, and have lots of fun playing together!

Mission:

When you click the green flag, one player will keep moving up, and another player will keep moving down. If you tap on the main player, he will try to kick the ball to score a goal. But if the ball touches any player, it will go back to the start. If the ball goes into the goal, you will go to the goal page.
