Playing Cards Company

Overview:

A playing cards company is introducing a new, simple card design and wants to showcase it on a dedicated webpage. This webpage will prominently feature the four A cards (Ace of Spades, Ace of Clubs, Ace of Hearts, Ace of Diamonds). The company is seeking a Web Designer to create this webpage, focusing on an elegant display of the cards.

Mission:

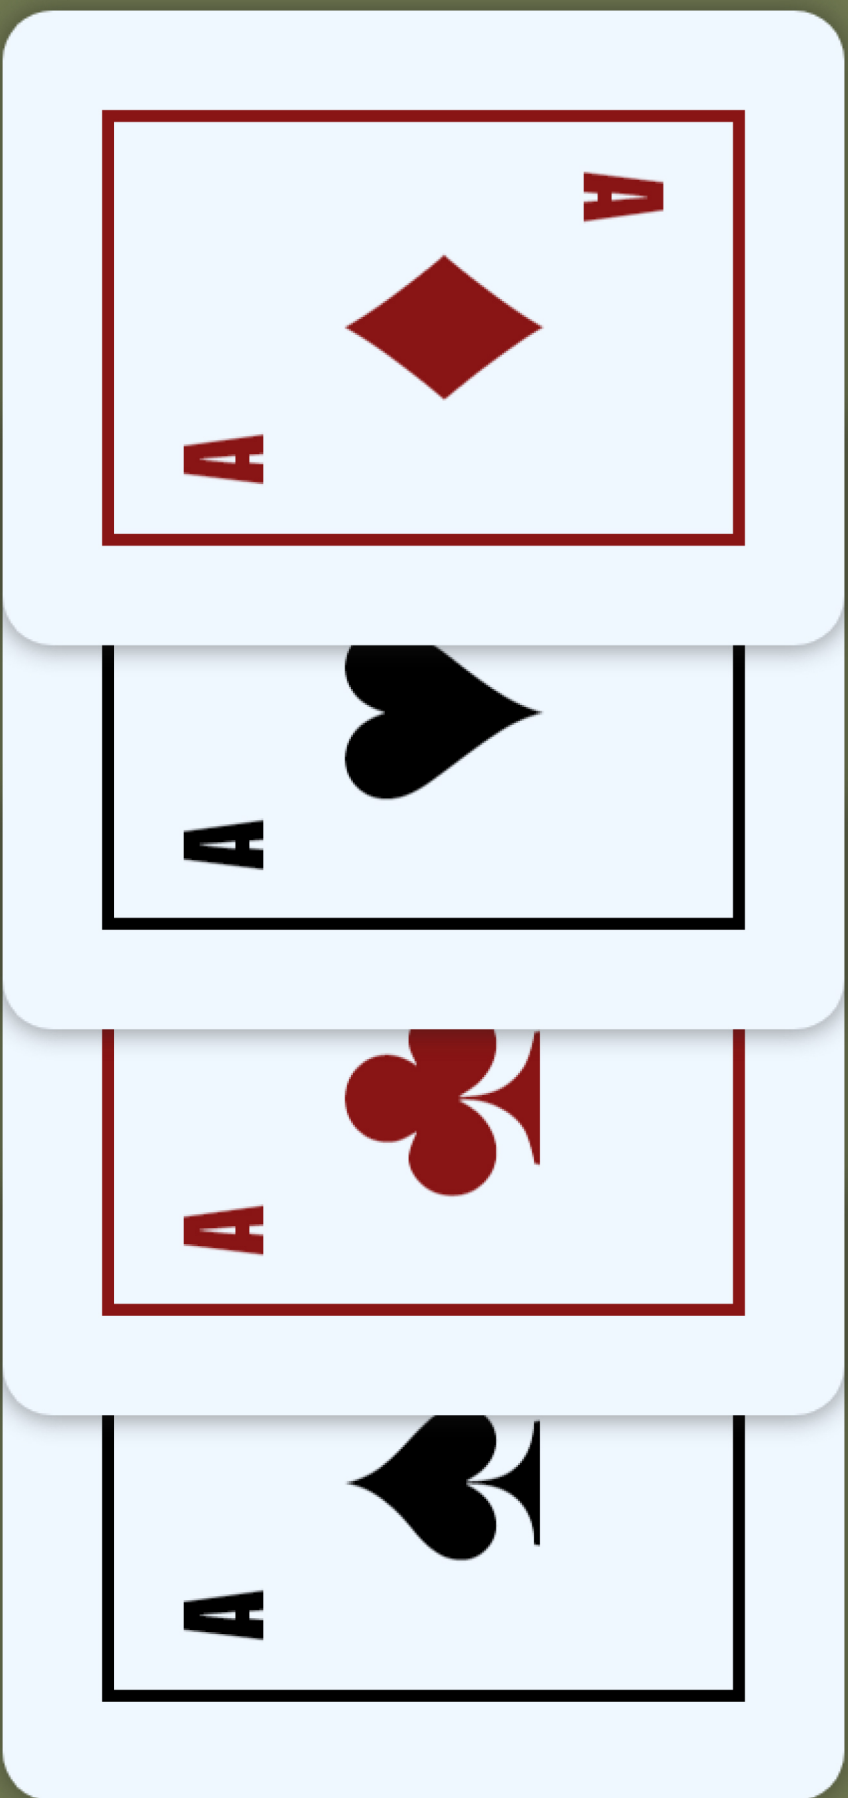

As a Web Designer, your task is to design a visually appealing webpage that displays the four A cards using HTML and CSS. The card types (Spades, Clubs, Hearts, Diamonds). The design must align with the company's minimalist aesthetic and follow the provided color scheme.

Useful Hints:

- Use your knowledge of HTML and CSS to implement the card display and hover effect.
- Refer to the provided color scheme:
 - Background Color: **#6e7750** (to create a calm backdrop for the cards)
 - Card Background Color: **#f0f8ff** (to ensure the cards are clear and visible)
 - Red Color for Clubs and Diamonds: **#891515** (to add boldness to the suits)
- Use the following icons for card types:
 - **Spades: `♠`**
 - **Clubs: `♣`**
 - **Hearts: `♥`**
 - **Diamonds: `♦`**

Expected Output:

1. A clean and simple webpage design showcasing the four A cards.
2. The design should be implemented using only HTML and CSS, without relying on image files.

Bonus Part: make these small circles in the corners of the red featured cards.
